Dear Colleague,

I am excited to share that we at OMNL, Nursing Leaders of Maine, are making plans to once again join together for our Annual Meeting to be held September 22 – 23, 2022 at the Hilton Garden Inn in Freeport, Maine. The focus of this year's summit is *"The Winds of Change: Nurses Leading the Way"*.

As a Healthcare partner, we hope you will consider being a sponsoring vendor of this event. The event brings together nurse leaders, front line nurses, educators and nursing students from across the state. Attendance has been over 100 nurses in recent years.

As the title indicates, the focus for this year's topic will be on of developing and strengthening the Maine nurse workforce on caring for our aging population. With age comes a whole host of different disease and comorbidities and therefore the speakers will bring light and insight to caring for those individuals.

If you are interested in being a Vendor partner, we ask that you please complete the attached Vendor application and submit your payment per the instructions listed there. (Vendor applications can also be found on our website at [www.omnl.org](http://www.omnl.org)).

Thank you for your consideration, and we hope to see you in March.
